

Would you Like to Facilitate for Class 31?

Now is the time to sign up and facilitate your favorite day!

Leadership Seminole Alumni,

It's that time of year again! We're gearing up for Class 31 and another great year. **If you're interested in helping with any of our sessions or events, please sign up today!** We have 11 session days and multiple events we need help planning and executing. Each committee sets their own meeting schedules and committee members handle everything from curriculum ideas, to contacting speakers and venues, to helping with logistics on the day of the event or session.

We wipe the slate clean and start fresh each year, so if you've been on a committee in the past and you want to remain on that committee, please let Denise know. If you've never volunteered with us before, but you've been thinking about it, now's the time!

Information on the different sessions and committees is attached. Please take a look and email me back if you'd like to sign up. Don't forget - even if you were on a committee last year, you must sign up again to remain on that committee for the upcoming year.

The deadline to sign up is Friday, May 21st.

Hope to see you on a committee this year. Thank you!

Denise
