# LESSONS **ON** LEADERSHIP

## **A Leader's Perspective into the Future** *A holistic view on lessons learned, overcoming obstacles and preparing for change*

Join our esteemed panel on May 18th for a discussion on the ways public and private organizations have navigated through challenging times. Learn how they are preparing for the future using wisdom gained from experience. Plan on a hour filled with knowledge and inspiration you can take back to your own organization. Register today and invite your colleagues!
