Class 29 and 30 complete their Legacy Project!

A representation of Class 29 and 30 met on Monday the 30th to present a check in the amount of \$82,000 to the AdventHealth Hope and Healing Center. Class 30's spokesperson, Vince Loran, had this to say to all of those who made this generous donation come together:

"Both "The Class that Never Ends" aka Class 29 and Class 30 "The Fast & The Furious" came together in the middle of January as a team

and we put on a one of a kind Fundraising event "The Seminole Showdown" on April 10th!

Each of you, rolled up your sleeves, worked side by side around the clock, and made sacrifices all in the spirit to empower others towards their recovery and make an impact in our community. One Team-One Fight combating the Opioid epidemic!! "

As always, we are in awe of the way each class rises to the challenge to create a Legacy project year after year. We are truly impacting Seminole County for the better.

Sara Bartell's husband, Sawyer, broke his neck in three places after diving into a pool while on vacation in Colorado a few months ago. Their family and the community have rolled up their sleeves to help renovate their house and raise money to offset the long-term financial impact of Sawyer's accident.
