Call to Service

Leadership Seminole is excited to announce that registration is open for our 2021 **Call to Service** Event.

Register your colleagues and guests to engage with leaders from 28 Non-Profit organizations all over Seminole County! [View Full list of featured guests](#). Visit with fellow alumni and enjoy appetizers from 4Rivers. Don't forget your business card so you can be entered to win our fun door prizes!

In 2019, Leadership Seminole Alumni Kenna Henry attended the event and had this to say, "My daughter, who at the time was a senior at Seminole High School, accompanied me to obtain information on volunteering in the community. She was able to connect with Advent Health and volunteer. As a result, she is now employed full-time in a position that provides her with experience leading to a pathway to her field of study".

We are excited to help Alumni see similar benefits for themselves, their colleagues and their families this year!
