

Coffee & Conversation

" Life is not about avoiding hard issues. Life is about tackling the hard issues together in community" - John Crossman.

Committee chair, Michael Lane interviewed our final guest of the season at Addition Financial the first of June. Mr. Crossman talked with us about his experience with entrepreneurship and commercial real estate. He shared his passion for education and de-creasing racial inequality by getting Real Estate programs into historically black colleges.

Community leaders from the private and non-profit sector benefitted from his experiences last week. We are so grateful for his time.
